

## Lindenhurst Sewer Job Talks Due

LINDENHURST — Possible costs and means of installing sanitary sewers in Lindenhurst will be discussed at a meeting next Monday with people from a Chicago bonding firm of Barkus and Kindred.

The village board also scheduled a session for Monday, May 23, when the village budget will be discussed. Other matters taken up this week Monday evening included considerable discussion on the village's plumbing code, Frank Calderone, building commissioner, brought up the subject.

As a result the village will clamp down more heavily on builders as to how they install plumbing through wall studs. Firing of studs, a device shown by a salesman Monday, double studs or larger single studs were suggested.

A home occupied by the Roger Pierce family on Sand Lake road was cited as being not in line with the Lake county and Lindenhurst codes regarding septic systems.

The place, built by someone other than Pierce, has its septic tank too close to the home and the builders did not have village licenses, the board was told.

The matter was tabled by the village board pending further investigation.

Village officers reappointed by president Robert Randall included Ellis Fuqua of Waukegan as attorney, Fred Beller, constable; Calderone, building inspector; Leland Hanson, health officer; Jean Beller, treasurer; Richard Thacker, engineer.

Named to the board of health were Hanson, Mrs. Carl Larson and a Mrs. Fitzgerald. A member of the planning board will be announced.

Albert Hart was appointed chairman of the streets and alleys committee and Alex Barting as head of the sewer and water committee.

## Boat Capsizes, Throwing Trio In Cool Waters

(See Picture This Page)

Three Chicago food store employees were rescued from the cool waters of Grass Lake near Antioch Monday after spending about an hour awaiting assistance.

Larry Paha, 39, Ralph Ulmer, 25, and Richard Rundle, 25, were recovering from shock and exposure Wednesday.

They told Lake county sheriff's deputies Ernie Wagner and LeRoy Grever that the boat in which they were riding was swamped by waves and the trio was thrown overboard.

The men said they were about a mile from shore heading in from a fishing trip when the motor on the 15½ foot cruiser hit a submerged object. The motor was knocked off the craft.

Rundle said his leg was badly bruised as he tried to drag the motor back on board.

The boat partially capsized as waves swamped it and all three were thrown into the water. Rescuers were Robert Schroeder and Edward Panek of Lotus Woods, and two other fishermen who saw the trio's plight.

The Antioch rescue squad responded to the call for help, but arrived after the men had been pulled from the water.

The mishap took place about 11 o'clock in the morning.

Deputy sheriffs reportedly were in the area at the time investigating an incident on a nearby island.

## Site Optioned For Salem PO

SALEM, Wis.—The post office has taken an option on a site in Salem for a new post office after selecting two locations as having qualifications for such a building, and then deciding on the one announced.

The site is on the south side of Railroad street between Main and Division streets where the railroad station formerly was located. The fire station is on part of the railroad property.

Post office officials said this location meets department requirements as to cost, area and location.

Senator Alexander Wiley of Wisconsin said earlier:

"This new and modern facility will be constructed under post office department's commercial leasing program which utilizes resources and investment funds of private enterprise to obtain needed postal buildings."

The new Salem post office will comprise 10,800 square feet, which will accommodate a building, loading platform and adequate parking and maneuvering areas.

The site option will be transferred to the successful bidder who will purchase the land and then will construct the building to the post office's specifications and lease it to the department on a long term basis, Salem postmaster Charles H. Peterson said.

P.T.A. has sponsored and everyone who has attended will attest to having a "very fine time."

THREE MEN RESCUED from the cool waters of Grass Lake near Antioch Monday are shown enjoying coffee near the scene. The Chicagoans were thrown overboard when their boat was swamped by waves about a mile from shore. They told deputy sheriffs Ernie Wagner and LeRoy Grever they had been in the water about an hour before being rescued. Shown are, from left, seated, Richard Rundle, 25; Larry Paha, 39; Ralph Ulmer, 25, all store employees. Standing are, from left, an unidentified man, Ed Panek, Bob Schroeder, Wagner and Grever.

## Subscription Drive to End Next Monday Noon, May 16

By Naomi Webb  
Campaign Manager

All good things come to an end sooner or later.

This of course is in reference to the Antioch News and the Lake Region News big \$1,500 subscription campaign that has been in progress for the past five weeks.

And that campaign now is nearing its close which will come Monday, May 16, at 12 noon.

The final outcome has not been decided as yet. What prizes will be awarded and to whom will depend entirely upon the final efforts of each candidate.

Candidates and subscribers alike know that this has been a very close race among several of the workers. Some days not more than a few subscriptions separated the leaders. REALIZING THIS, they put every effort to achieve their goals and the results have been most gratifying.

The campaign will come to an official close at noon Monday, May 16, and under no circumstances will any subscriptions count for points after that time.

As soon as possible after the

close, the judges will examine the records, count the votes and announce the winners.

Judges will be Dr. Albert Bucar, local optometrist, and Preston Reckers, of the State Bank of Antioch.

Prizes and commissions will be awarded to all workers upon returning to the News office of all materials issued them, namely subscribers lists and receipt books.

IT HAS BEEN our sole aim throughout this campaign to give every candidate an equal chance and every opportunity to be in line to win one of the cash prizes offered by The News.

After due consideration, it has been decided not to publish the standings of the candidates in this issue.

By withholding further publication of the point standing, we feel that we are fair in trying to protect those who have worked most diligently toward winning and in making this campaign true to its purpose, of giving each and every one an equal chance.

Thanks to everyone who has helped in making this campaign a big success. We are proud of the new subscribers added to our list.

## DEAR READER News Editorials

### "When The Sun Comes Up Yonder . . ."

An old tune most of us know could be paraphrased something like this, "When the sun comes up yonder I'll be there." Perhaps that is what Antioch and vicinity people are looking for after these dark, rainy and dreary days we have had for almost a week.

For certainly this has been no kind of weather to attract people out to the Lakes region to see about that new summer home, to fix up the place they now have, to buy that needed lawnmower or the hundred and one other things needed to care for a summer place.

A glance out along Channel Lake and Lake Marie and their channels and connecting streams Tuesday disclosed water rising or apparently so.

There was no apparent danger as of Tuesday noon and none seemed likely.

But the fact that waters do rise—if even slightly—does not help our situation. People whether they live near the lakes or here in town are reluctant to spend much money and time in improvements until they see what the lakes, rivers and streams are going to do next.

Let us hope that "Sun Comes Up Yonder" before too long and not only dries us out physically, but also puts in some more gump-tion, action and resolution to improve our summer home or even our winter home.

It will benefit us as home owners and occupiers as well as business.

## DEAR EDITOR Your Letters

Antioch News,  
Antioch, Illinois

Dear Editor:

As a property owner on Bishop Street I must protest the article about the Go-Kart track as it appeared in the May 8th edition of the ANTIOCH NEWS. It gives a false impression of the motives which prompted me to sign a petition addressed to the Village Board, and I believe my neighbors feel the same.

The petition which I signed was not to ask the board to do something about the traffic increase which would result from the proposed race track. The petition read: "We the undersigned . . . feel that the operation will create a hazard for the residents of the area and will devalue the properties."

The increased traffic is one factor which led me to protest the approval of such a race track so near such a residential area. However, there are other more important aspects to consider.

When we purchased the lot on which we built we looked at the nearness of the railroad and the undeveloped area east of us and decided we could live with the railroad.

We understood that the area east of the tracks was to be used for light industry only, and assumed any further development would be in the same vein as the ink factory and two garage storage buildings which were already there.

I am certain that if the proposed track had existed when we looked at lots we would have purchased elsewhere.

What will happen to the valuation of our property? None of us overlook the fact that we might have to sell our home. Illness or a job transfer could make it tomorrow.

The presence of a race track within a block of a house could turn away a prospective buyer or result in a loss of several thousand dollars to a property owner.

I'm sure the Go-Kart club hopes this track will grow and prosper. This may one day become a commercial enterprise, drawing people who might park in my front yard (to avoid the exiting crowds), who will buy hot dogs and candy or bring a lunch and leave the wrappers to blow about the neighborhood, who might bring a hand-pak of beer and fling the cans in my yard. It could even mean a public address system and lights for night racing.

And what about the noise? Whether it is 2, 6 or a dozen motors, even with mufflers, it would be a steady drone for seven hours on a Sunday! And must the aroma of our barbecued chicken be mixed with the smell of exhaust fumes?

These are the considerations which prompted me to voice my objection to the Go-Kart track. I feel that any race track at the proposed site would constitute a public nuisance and that use of this village owned land for such a track should be denied!

## Library Adds More Books

F. F. Rockwell and Esther Grayson have been providing excellent garden manuals for a long time.

Presented to the Antioch Township Library in memory of Fred May, "The Complete Book of Bulbs" will be of great importance to gardeners who enjoy the brilliant colors of tulips, gladioli and other tuberous plants.

Alan Moorehead believes it is urgently important to preserve the fast-dwindling numbers of wild game.

"No Room in the Ark," is the story of a world of animals, birds, and reptiles, living today, as they have lived for thousands of years, in the vast untamed areas of Africa.

"No Room in the Ark," which was given in memory of Henry Keating, also describes the primitive tribes that live in the remote areas of Africa.

"Out of Noah's Ark," by Herbert Wendt, is subtitled "the story of man's discovery of the animal kingdom."

Rich in fact and legend, the book ranges from prehistoric times to modern scientific zoology and the astonishing discovery of certain baffling animals of our own day.

"Out of Noah's Ark" was presented in memory of Fred May.

"Ring the Night Bell," is the autobiography of Dr. Paul B. Magnuson, who for six years was associated with Dr. W. E. Schroeder at Wesley Memorial hospital in Chicago.

Dr. Magnuson is known to a number of Antioch people through Dr. Schroeder who had a summer home and family connections here.

"Ring the Night Bell" was given as a memorial to Dr. E. J. Luttermann.

"The Fireside Book of Humorous Poetry" was put together by William Cole. There are more than 450 humorous poems in this gay collection which is ideally suited for rollicking reading for the whole family.

"The Fireside Book of Humorous Poetry" was given in memory of Albert Shepherd.

"The Book of Landscape Design," by H. Stuart Orloff and Henry B. Raymore, is available at the library in memory of Art Lubkeman.

This fine book gives all of the basic rules for planning and constructing the setting for your home. Two chapters are also given to public parks and municipal planning.

## Channel Lake 8th Graders Enjoy Trip to Chicago, Theater, Dinner

By Mrs. Pearl Kapell  
Phone Antioch 1837

CHANNEL LAKE — Nineteen youngsters of this community, who will graduate from eighth grade this spring, enjoyed a trip to Chicago for dinner and a movie on Thursday, May 5.

The trip was sponsored by the Channel Lake Community club every year, and is attended by both graduates from Channel Lake school and those from St. Peter's.

All the teachers except Mrs. Jerry Kaleth drove their cars to Chicago to furnish transportation for the young people. Eight parents also accompanied them on the trip. The group had dinner at Ho'sai Gel's restaurant, and then went to the McVickers theatre to see "Windjammer."

Children from the eighth grade at Channel Lake school who made the trip were Dick Davis, Judy Detmering, Roger Eberman, Ted Gess-

ler, Noel Birr, Cheryl Hartman, Tom Hucker, Jerry Kubicki, Nancy Lindblad, Ed Matejka, James Bridges, Bill Serhson, Janice Serhson, Ken Stankus and Larry Yanca.

Those from St. Peter's school were Virginia Wells, Mary Jo Runyard, Teddy Rosinski and Timmy Zeien. Pam DeStefano was unable to attend.

The last meeting of the PTA of Channel Lake school for this year will be held on May 18.

Officers for the coming year will be installed and there will be a program on Water Safety furnished by the Red Cross.

Parents might find this an excellent way to impress a few pointers on their children.

Grace Amendola and Dorothy Karczewski, who have been making a curriculum study under the joint auspices of the PTA and the school board, will give a report on their findings.

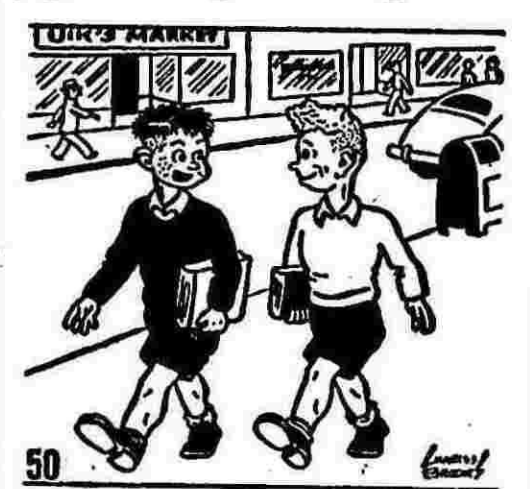

Cub Scouts who are making the trip to O'Hare field on May 15 must be at the Channel Lake school at 12:30 p.m. Cars will leave at that time whether or not all are present.

Mike, whoever you are, Dolores Eckert begs that you claim your boots.

Someone left a pair of boots with the name Mike in them at March pack meeting of the Cub Scouts, and mistakenly took a pair that belonged to Martin Lulofs. So if your name is Mike, look your boots over. Are they yours?

The last indoor pack meeting of the year for the Cub Scouts will be held on May 20. Theme of the session will be "Show Boat."

## Paper Drive Scheduled For Saturday, May 14

By Mrs. Marlon Hammitt

VENETIAN VILLAGE — Boy Scout troop 88 will conduct a paper drive on Saturday, May 14, and are asking residents to bring their papers to scoutmaster Robert Hammitt's home before 11 a. m. that day.

Scouts explained that due to side roads being so soft it would be impossible to drive a large truck on them.

Bundles also may be left along the Engle-Granada blacktop before 11 a. m. The Hammitt home is the 2-story pink house on Granada Blvd., which has "His" and "Hers" on the garage doors.

The truck will pick bundles up along the blacktop road. People also may call Elliott 6-5583 and a Boy Scout will help them.

## 8th Graders, Adults Enjoy School Visit

Eighth grade students from every grade school in the Antioch Township high school district enjoyed a "Cook's Tour" of the high school building, a program, luncheon and talks about school activities Friday afternoon.

Teachers, many parents, administrators and others joined the school children for the three-hour program that began about noon with the luncheon in the school cafeteria.

High school pupils, faculty and administrators had eaten their lunch during the morning so the cafeteria was free to the incoming freshmen and those accompanying them.

After eating, the visitors went to the gymnasium for some recreation and there tours of the building were organized.

Coach Roy Nelson spent some time signing up would-be Sequoit athletes for the fall, winter and spring seasons of the coming school year of 1960-61.

By the time the sign-up period ended, just before a program in the auditorium, Nelson had a pile of 50 or more forms on his table. Baseball, football, basketball, track, golf, tennis and wrestling were listed.

The 250 or more visitors heard selections by the high school dance

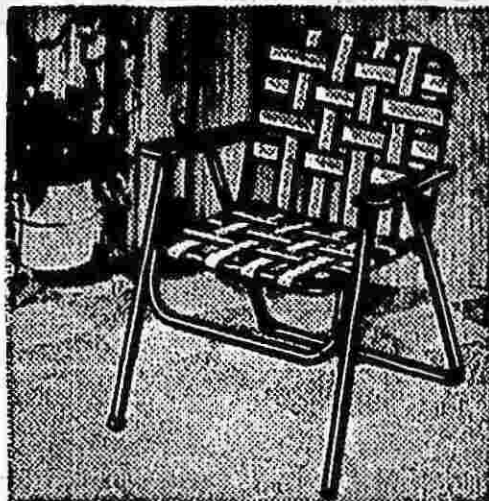

band under the direction of Joseph Rush, numbers by the Rhythm Kings several duets, soloists and group vocal selections.

Kenneth Smouse directed the vocal numbers and singers.

Visitors also heard representatives of each organization in the high school tell something of their functions, events, purposes and the like.

Closing principal Albert Dittman spoke briefly on the curriculum, what is expected of students and relative subjects. Presiding during the auditorium session was Bob Martin, president of the student council.

Cub Scouts of Pack 80 met at the Grass Lake school on April 28 for the monthly pack session.

After the opening ceremony Cubmaster Earl Beese reminded parents of the need for new committee members and new den mothers for the coming year.

Uniform inspection was conducted by James Bruski, Carl Cogdill and Mr. Jennrich.

Awards were dispensed in a hurry. Mrs. W. J. Murphy received the den mother's Certificate of appreciation for her work as a den mother for the past three years.

Bob Murphy received his patch for his participation in the 1960 show. Gerald Anderson received a year pin.

Then came the high point of the evening!

The boys lined up with their tiny hand-finished cars to race them in the pack's own pinewood derby.

Members of the committee had constructed a special wooden ramp for the race. After much cheering and fun for the boys, the winners received medals.

Winners in the speed race were Bruce Pierce and Donny Davidson; in the distance race, Pierce and Jack Koppen.

The silver dollar was won by Richy Hart.

Refreshments were served by the Den 7 Scouts, Den mother Fern Forbes being in charge.

### Many Ladies' Groups Represented At Ivy Cancer League Meet Here

By Mrs. Bernice Bernan

Mrs. Grace Slove of Sunset Lane, Lindenhurst, president of Dr. Ivy Cancer league no. 15, for the surrounding area, invited ten presidents and a member of her board, that were affiliated with the Countryside Hospital rummage sale last March, to a luncheon at Smart's Country House in Antioch Monday, at 12:30 p.m.

Women present were Mrs. Steve Romani, Lindenhurst Garden club; Mrs. Ann Taylor and Mrs. Dolores Buckley, Everbreeze Good Neighbors club; Mrs. L. Alfredson, vice-president of Lake Villa school PTA; Grace Weathers, past president, and Mrs. Nancy Hendrick, president, of Women's auxiliary of Fox Lake Hills.

Also Mrs. Viola Selzer, president, and Mrs. B. K. Mitchell of Prince of Peace Altar and Rosary society; Mrs. Georgia Matthies, representing Deep Lake auxiliary; Mrs. Bernice Frontzak, treasurer, and Mrs. Esther Sokup, sergeant-at-arms, Women's auxiliary to the Lindenhurst Men's club.

Ivy Cancer League officers present were recording secretary Mrs. Lois Flanagan, ways and means chairman Mrs. Leona Amore, cor-

responding secretary Mrs. Evedyn Majewski, treasurer, Mrs. Lu Stanley; Mrs. Mona Schwartz, president, and Mrs. Pearl Lewis from Venetian Village Association auxiliary.

Guest speaker was Mrs. Frances Prohaska of Lindenhurst, who works three weeks out of every four, for Dr. Ivy.

She told the ladies about Krebiozen helping cancer bed patients to become ambulatory, lessening the pain if it doesn't cure, about the book "A Matter of Life and Death" by Herb Bailey, that describes the persecution of Dr. Ivy.

A copy of a book written by Herb Bailey is being donated to the Lake Villa public library, so that all may read it. She told how Krebiozen research has helped cure cataracts in dogs.

It does not claim to cure cancer, but continued use of it will make a patient cancer-free, she said.

An interesting question and answer period followed the talk. Ladies present promised to deliver Mrs. Slove's invitation to their groups to attend the next meeting of the Ivy Cancer league, to be held at 8 p.m., Friday, May 20, at the Lake Villa school.

## Maintenance of Road Difficulties Talked at Venetian Village Meet

By Marion Hammit  
Phone ELliot 6-5543

VENETIAN VILLAGE — President George Sebela found it necessary to apologize to those present for the absence of the speaker who was to have appeared at last Saturday night's meeting of the Venetian Village Civic association.

He was to inform the residents about the proposed project of the Avon-Fremont Drainage district. In order to acquaint property owners with the facts, Raymond Coluccio reported on a meeting held recently with the engineers of the project, and its eventual effect on Fourth and Millmore lakes.

Fred Popp explained some difficulties encountered in trying to keep roads in condition during a winter and spring such as the area has had this year.

Popp, who is the Lake Villa township road commissioner, listed some of the repair and reconditioning work to be done on township roads this summer.

Edward Tiede, township supervisor, was also present and was requested to invite county road commissioner M. E. Amstutz to attend and address the next meeting.

The ways and means committee of the Civic association is busy planning the annual chicken Bar-B-Q, to be held July 17, on the civic hall grounds.

Officers of Brownie Troop 30 for the month of May are, President Darlene Durling, secretary, Lea Van Golen; treasurer, Susan Marr.

Dominic Wilhelm attended the yearly banquet of the Quarter Century club of the Stewart Warner Corp. of Chicago, where he had been employed for 43 years before retiring and moving to Venetian Village.

This year's affair took place at the Chicago Furniture Mart, and was as successful an event as all the previous ones.

His wife, Agnes, went with him and spent the time visiting her relatives.

To top off the week, they paid a short Mother's day call on Mrs. Ann Doyle, a friend of theirs in Mundelein.

The Women's Auxiliary rummage sale at civic association hall, which is held once a year, will open at 10 a. m. on Friday, May 13, and at 9 a. m. on Saturday, May 14.

According to the chairmen, items for the sale are pouring in, and promise to surpass in quantity and quality offerings of past years.

George Doyle left Friday for Northern Pike up at Onalaska, Wis., and really found that the location lives up to its name.

Seems that 6 inches of snow fell Saturday evening, and he and the friends accompanying him had to wait for the snowplows to break a trail down the road so that they could head for home. They caught some fine specimens of northerns, though.

The Venetian Village Men's club has secured the services of Jack Whightman and his orchestra for the dance on May 21, at the Civic Association hall, and hope that everyone will try to join them for an enjoyable evening.

Marilyn Doyle and Ethel Moore, along with Mary Tracy, Shirley Mertes and Pat Reinhardt of Lindenhurst, were a team of bowlers attending a league banquet at Adria. John Slove, also of Lindenhurst, was their sponsor guest. The team ended up in second place.

The Good Neighbor club will meet at noon on May 17 at the home of Mona Schwartz. All members are asked to be present so a spring outing can be planned.

P.T.A. of the Lake Villa school will convene at 8 p. m. Monday, May 16. An informative discussion about a new method of grading to be used on report cards next semester will be conducted by principal James Bradley, of the B. J. Hooper school.

Betty Lodolce, Mary and Rolin, Charlotte Wagner, Elaine Miklausch, Ethel Jennrich, Doris Chase, Ruth Flood and Eleanor Holway will arrange a party for the graduating class of the Lake Villa school, with the help of mothers of 7th grade students.

## Antioch Hi Chatter

By Marie Jastan

Antioch High School Reporter: Everyone is looking forward to this weekend, and the culmination of all the work the juniors have been doing in preparation for the prom they give for the graduating seniors.

"Paradise Isle" will be presented Saturday, May 14, in the high school gym at 8:30 p.m. King Jaro's band will play while the Islanders dance under the decorations that have been so diligently worked on.

Girls nominated for queen are Karen Lightsey, Barbara Stokes, Dee Stillson, Jan Duha and Pam Drucker.

One of these girls will be queen, and reign for the night. The queen and king of the 1960 prom will be crowned by last year's royalty, Dan Shuman and Terry Plack.

The public is welcome to come and see the decorations, and the coronation at 11 o'clock.

Tuesday, May 10, a professional assembly was held for the students. They saw "The Court Martial of Billy Mitchell" in two shifts, freshmen and sophomores in the morning, and juniors and seniors in the afternoon. It was enjoyed by all.

to stay home, but those that went had an enjoyable time.

The senior class trip is slated for May 26 and the 160 grads are all looking forward to it happily. This trip is only a few days before graduation, and is one of the last times the class will be together.

A tentative graduation dance is scheduled for June 4. If everything goes right it will be a semi-formal for the seniors and their dates.

Graduation this year will be out in the open. The seniors requested permission to move the scene of their graduation from inside the school to outside. If weather permits they will receive their diplomas under the wide open sky. Graduation will be held at about dusk, or just before so the sun won't be too warm.

## Sunday Event Scheduled at Bristol Club

BRISTOL, Wis. — A Kenosha countywide pancake and porky breakfast will be held at the Conservation clubhouse just west of Bristol Sunday morning, May 15.

Following the breakfast there will be an all-day entertainment which will include a "silver dollar" fishing derby for children attending the event.

An estimated 200 pounds of pork sausages in addition to "mountains" of pancakes and gallons of syrup will be needed to feed the people attending, the committee in charge has reported.

Proceeds from the feed will go toward the conservation club's rapidly expanding youth program, leaders said.

Club auxiliary members in charge of arrangements include Mrs. Cliff Roach, Mrs. Willard Simplot, Mrs. Robert L. Robinson, Mrs. Paul Davis, Mrs. Jerry Jolicoeur, Mrs. Ray Scoville and Mrs. Burt Watring, Jr.

Mr. Roach, in charge of reservations for the breakfast, said they may be made by contacting him or any of the junior club members acting as salesmen for special prize awards.

Dedication of the conservation club's new gunnery range and archery area and demonstrations of bow and arrow and shooting skills will be given. Competitions in archery, shotgun, pistol and rifle firing will be featured.

Any minor attending the breakfast will be eligible to take part in the fishing derby. Silver dollars will be awarded to winners of the derby.

## Post Office To Be Built At Wilmot

WILMOT, Wis.—Senator Alexander Wiley has been advised by Postmaster General Arthur E. Summerfield that a contract has been signed for the construction and rental to the postoffice department of a new post office building in Wilmot.

Successful bidders are the Rausch Brothers of Wilmot. Ground breaking and construction of the new post office is expected to begin immediately, with completion due approximately September 1.

This modern post office will be located on Lot 11, Block 15, Water street, a half block west of Main street. It will provide 1040 square feet plus an outside loading platform and ample hard-surfaced space for parking and truck maneuvering.

Specifications call for new modern lighting and equipment, including a low, open patron-service counter.

Postmaster General Summerfield stated: "This another important step in the post office department's modernization program authorized in the last session of the congress, with the valued assistance of your Senator, Alexander Wiley, to improve postal service for the public by providing new buildings and equipment, designed for efficient and economical mail-handling."

He pointed out that the postal facility to be built in Wilmot is typical of many others going up elsewhere throughout the country.

## Chaperones for Senior Boat Trip Announced

Chaperones for the trip the senior class at Antioch Township high school is planning for Tuesday, May 26, from Milwaukee to Muskegon and back, were announced this week.

They will be Mrs. Ruth Duha, Mrs. Jean Homan, Mrs. Wilma Gibbs, Mrs. Gertrude Good, Mrs. Lillian Plack and Mrs. Lida Frasier, all parents of students making the trip.

Faculty sponsors are Warren Polley, William Seemann and Frank Denison.

The group will leave the high school campus about 8:30 a. m. that day and return to Antioch around 11:30 that evening.

About 150 young men and young women in the class will be going.

"These new post offices," he said, "contain not only the modern patron-service counters and eye-saving fluorescent lighting, but provision is made for patron service after regular business hours."

The postmaster general also pointed out that the new post office in Wilmot, one of 1400 new post offices to be built in fiscal 1960, will remain under private ownership while rented to the Federal Government.

Hence it will pay local real estate taxes to bear its share of the cost of local government.

The postmaster general said, "Mail users will find mail service in the years ahead improved through an unprecedented five year program of scientific postal research and engineering."

## Mother of the Year: Her Greatest Reward

Prominent among American mothers of the year is a dauntless Arkansas woman who, despite the prolonged illness and eventual death of her husband, kept together her family of eight children and put them all through high school, college or technical school. She is Mrs. Orpha Kimball of Corning, an iron-willed, indefatigable mother, who combined hard work, love and discipline "to make something" of her children. She farmed rented land, operated a cream station, and, finally, when these failed to solve her problems, hit the rural roads and highways of Arkansas organizing home parties at which to sell Stanley Home Products.

Before her success as a star saleswoman, Mrs. Kimball's problems were formidable. Her husband, disabled in World War I, was in constant ill health. Ten mouths had to be fed, medical bills were mounting, the barest necessities of life had to be constantly scraped for. Her home had no electric lights, no running water, no modern appliances. Then her husband's death in 1946 complicated an already desperate situation.

Refusing to allow such circumstances to deprive her children of a fair shake in life, she explored every possibility of earning the necessary money to feed, clothe, and educate her eight children. Hearing of the earning possibilities open to Stanley dealers, she seized the chance. Setting about with iron-willed determination to make the most of the opportunity, she left no stone unturned to sell Stanley products, working day and night to conduct parties. She became a super-saleswoman, and won two all-expense paid trips to New York from Stanley in recognition of her abilities.

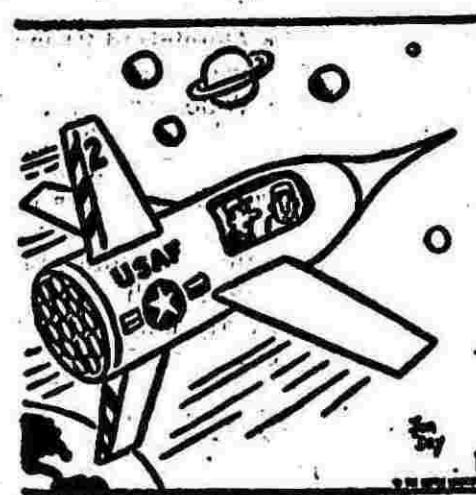

Mrs. Orpha Kimball

Her greatest reward, of course, was the satisfaction of seeing her children grown and educated, her family intact and healthy. One of the thousands of men and women who sell Stanley's quality household products at home parties, full or part-time, earning welcome cash for necessities and those extras that make life worth while, Mrs. Kimball looks back to the hard days with satisfaction and pride in her achievements. She still sells Stanley products and life is easier now. She has many of today's modern conveniences and appliances. The chief reward will always be, however, the love of her children.

# Softball Season Will Open Next Tuesday Night

Softball league action for the Golfview diamond 2 miles north of Antioch, near Kenosha county highway C (Wilmot road) will get under way next Tuesday evening with two games scheduled.

A planned "grand opening" scheduled for Saturday evening, May 14, with all kinds of entertainment in addition to softball, has been postponed to Saturday night, May 22, due to wet grounds.

It was felt that the diamond and surrounding areas should be given a thorough drying out before they are used.

Lake Keno league action next Tuesday starting at 7:30 p.m. will find Fox Lake Merchants meeting Sterbenz garage and in the night finale beginning about 9 p.m. it will be Thom-Eric (1959 champs) vs. Golfview Motel.

It will be Pat's Lounge vs. Jim's Service at 7:30 p.m. Thursday in the night's opener and Thom-Eric vs. Fox Lake Merchants in the finale. Thursday, night May 20, it will see Sterbenz Garage meeting Golfview Motel in the only league game scheduled. Joe's Tap draws a bye. The byes are made necessary because a 10th team has not been found.

Another feature of the "formal opening" on May 21 will be the appearance of the Ka-Dettes drill team of Lake Villa's VFW post no. 4308. It is under the direction of Miss Alyce Shea.

The drill team was runner-up to the state champions last year. It will represent this area in the national VFW championship at Detroit in August.

Yes, there also will be a softball game the night of May 21 with Mazuca State Farm Insurance meeting Golfview Motel's team. The appearance of "The Sheikh Abdul One Pitch" will be a feature.

The modifieds will then compete each Saturday night throughout the season, which will end with September 10.

Jim Smith, the promoter of the Wilmot oval has stated that he is presenting what he believes to be a first for any quarter mile race track in the nation.

In recognition of his 8th year of successful promotion of the 9 year old track, Smith is going to award to the 1960 season champion a 1960 Chevrolet El Camino, valued at about \$2800.

Co-sponsors of the award car are the Semrau-Scott American Legion Post No. 361 of Wilmot, and Nickey Chevrolet of Chicago.

The cost of the award car will not come from the driver's point fund or from the driver's purse.

Smith and the co-sponsors are bearing the cost strictly on their own. From all indications, some of the mid-west's top drivers are expecting the car as theirs, as well

as well as the season championship.

Considering that the Wilmot track is 40 miles southwest of Milwaukee, about 60 miles northwest of Chicago and operates a comparatively short season, with terrific competition from other tracks operating on the same night, it is little wonder that the village of Wilmot lays claim to being the "Little Indianapolis of Wisconsin."
